

CERAMICA 90

In recent years, the urban and industrial kitchen trends have seen a move towards textured matt kitchen finishes that are stylish and sophisticated but at the same time, comfortable, enjoyable and low-maintenance. The increasing popularity of ceramic, stone and concrete finishes in furniture and kitchens proves this. These finishes add depth and tonal contrast to the kitchen space and provide you with the flexibility of exploring multiple design options in your home. Aligning with this trend, Häfele brings you subtle ceramic finished hoods that will not only keep your kitchen fresh but will also elevate its design. The new range includes cookerhoods laden with: Filter-free technology - Ceramica 90, advanced motor technology (EBM Plast) - Biscotti 80/60 and anti-drip technology - Frida 90/75.

This product memo will take you through the details of **Ceramica 90** which is an impeccable blend of power and elegance, showcasing superb efficiency of filterfree smoke extraction and the best design aesthetics on account of its textured surface. The powerful motor can extract 22% more kitchen smoke than a standard filterfree hood. One of its unique features is the distinctive touch of ceramic that lends a contemporary, minimalist look to the cookerhood.

FEATURES

The Filterfree design of the Ceramica 90 Cookerhood offers super efficient extraction (22% more than a standard filterfree hood) while avoiding the frequent cleaning and maintenance that comes with clogged filters.

The Ceramica 90 Cookerhood comes with in-built LED lighting which illuminates the kitchen countertop letting you keep an eye on your cooking when the cookerhood is functioning.

For contemporary kitchen spaces, Ceramica 90 comes with a headfree design created ergonomically in an angular fashion so that it doesn't obstruct your free movement in the kitchen.

PRODUCT SPECIFICATIONS

Article No.	538.81.543
Model No.	CERAMICA 90
Finish	Stone Glass
Motor	268 W
Control	3 Speed Control
Timer Function	Available
Filter	No, Filter-free Technology
Extraction	Auto Open Smoke Panel
Lighting	LED
Design	Angled Wall-mounted
Product Dimensions	896 x 416 x 989 mm (W x D x H)
